**Good morning and welcome to my thoughts for today.** It's Tuesday, March 29, and it's a cold 14° this morning here in Western Pennsylvania. Spring chose to hide in the shadows a little while longer. I am excited to announce that the month of March brought to me my seventh grandchild who entered on my sixty-ninth birthday. What a grand present Austin was. Welcome to your journey toward eternal life!

## WHAT I'M THINKING

---

### **Biden's Digital Currency**

On March 9, 2022 President Biden signed an executive order for his administration to look into establishing a digital version of the dollar. Many countries are currently developing, and some have already implemented, what is known as the CBDC (Central Bank Digital Currency). As the holder of the world's reserve currency, this step by Biden signals to the world that the digital currency is no longer an option but will become the new currency in the *New World Order*. It signals to American's that from this point forward the use of cash will become even less accepted and cashless transactions will more and more become the norm. It signals to Bible students that it won't be long and the one called the Antichrist will be on the world stage. I mean, like, your eyes and mine will see this *New World Order* with the Antichrist in authority. Before he arrives, the infrastructure for the cashless, contactless currency must be in place. It won't be long.

### **Biden's New World Order**

In his speech before the joint session of Congress on September 11, 1990, President George H.W. Bush described his vision of a *New World Order* rising up out of the Persian Gulf crises. He said: "The crises in the Persian Gulf.... also offers a rare opportunity to move toward an historic period of cooperation. Out of these troubled times...a new world order—can emerge...."

The President's vision way back in 1990 signaled to the world that the globalists agenda and America's destiny to advance a *New World Order* was proceeding and advancing as planned. The President voiced

what was hidden in plain sight on the *Great Seal of the United States* and printed on the back of every dollar bill, the phrase *Novus ōrdō sēclōru*, which is Latin for *New Order of the Ages*.

The *Great Seal* was first used in 1782, six years after America gained her independence. It was printed on the back of the one-dollar bill in 1935. America's destiny from its beginnings has been to advance a *New World Order*, a new order of the ages that we now know as the age of the Antichrist. America's destiny from the beginning was to give direction and leadership to the world for the arrival of the one called the Antichrist.<sup>1</sup>

President Bush's speech brought the concept of the *New World Order* into the national consciousness. When President Biden spoke to the *Business Roundtable's* CEO quarterly meeting on March 21, 2022, he made it clear that the *New World Order* is no longer coming but is already here when he stated: "Now is a time when things are shifting. There's going to be a *New World Order* and we have got to lead it and we have got to unite the rest of the free world in doing it."

From even before the beginning of America's independence, those establishing America were very much aware of America's intended destiny. It had been a great secret known to the "privileged" few until it reached our days where the globalists, the United Nations, and the World Economic forum are open about where they are leading the world. Our minds have become so brain washed that even though we read and watch what is going on, the majority continue in their slumber as the globalist continue to put in place the remaining pieces necessary for the Antichrist to arrive. As a Christian, we have the responsibility to let people know what is happening and why it is happening according to the Bible, and to encourage them to stop their sinning, believe what Jesus taught, and follow Christ's example of righteousness, no matter how tough things may get.

### Christian Suffering

For most of us here in America we have not experienced true Christian suffering. We've never had to face the day-to-day, hour-to-hour possibility of being dragged out of our house, locked in a prison cell, tortured, or even killed. We don't know what it's like to lose everything we own: our house, our business, our job, our savings, our family. We don't know what it's like to have our family, our friends, our community, even many who claim to be Christian, turn against us. We don't know, because the Christianity we know is a Christianity of so called "blessings," not realizing that the prosperity we know is the very thing that chokes out our Christianity making us powerless in our faith and not truly Christian (Matthew 13:22). We Americans are doctrine based, works oriented Christians and not power filled, Christ suffering, Christ enduring Christians. Here are a few things to keep in mind about suffering.

Matthew 24:13: "*But he that shall endure unto the end, the same shall be saved.*" Who are those who shall be saved from the hell to come? Those who endure Christian suffering, without compromising their faith, from now until their death.

## 2442 Watch 03-29-2022

Acts 14:22 "Confirming the souls of the disciples, and exhorting them to continue in the faith, and that we must through much tribulation enter into the kingdom of God." This is not a popular sermon text. But it is clear: through many troubles, *because we are Christian*, we enter God's kingdom.

2 Corinthians 4:17 "For our light affliction, which is but for a moment, is working for us a far more exceeding and eternal weight of glory." No matter how great the persecution is, it is only a light affliction to prepare us for our eternal glory.

Romans 8:18 "For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us." No matter how great the persecution is, it is a small affliction compared to the eternal glory that will be given to us when we endure to the day we take our last breath.

James 1:2-3 "My brethren, count it all joy when ye fall into various temptations; Knowing this, that the trying of your faith works patience." Patience is the key to enduring any suffering that comes our way. Patience, through the troubles that come, grows our righteousness and faith in Christ.

Suffering and Christianity go together like a hand in glove, peanut butter and jelly (2 Timothy 3:12). You can't have the one without the other. This is why we Americans need to look at who we really are in Christ. What kind of a proactive witness are we for Christ? Are we really suffering, enduring for Christ's name, because we are a Christian? There really is a difference between the suffering that everyone suffers traveling through life and suffering as a Christian. Do you know the difference? Do you experience the difference?

### Help Wanted - Laborers

JOB DESCRIPTION: Compassionate people to go into all cities and boroughs to teach, preach, and heal sickness and disease. Must be willing to sacrifice own pleasures and desires for the multitudes who need to know the love and comfort of Christ and the benefits of eternal life. Must be filled with the Holy Spirit and the determination to give up your own life for the salvation of others, if need be. Reports directly to the owner.

Matthew 9:35-38: 35 "And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people. But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd. Then said he to his disciples, The harvest truly is plenteous, but the laborers are few; Pray ye therefore the Lord of the harvest, that he will send forth laborers into his harvest."

### Inflation

The headlines shouted: "INFLATION HIGHEST IN 40 YEARS."

What we should keep in mind is that inflation creeps along year after year so that my new \$2,600 Camaro back in 1972 would cost me more than \$26,000 today. When we see headlines similar to the above, what they're really telling us is that inflation has taken a giant step forward instead of just creeping along as it has year after year. Our money will buy less, and we will feel the squeeze. Our households will eventually require the combined income of every member to make ends meet. Oh, sorry...that is already happening.

## 2442 Watch 03-29-2022

We also need to keep in mind that just like Israel's intensifying conflicts, the acceleration in violence, the increase and destructiveness of natural disasters, inflation is a major sign that we are at the close of earth's final days. According to Christ, inflation will continue non-stop until we wake-up and find that hyperinflation has taken control. Here's how Revelation 6:5-6 puts it:

"And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand. And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; [hyperinflation] and see thou hurt not the oil and the wine [no middle class, only the very rich and the poor]."

This is where we are headed. This hyperinflation is part of the global hyperinflation that is coming in the great tribulation. We have not yet entered the great tribulation spoken of by Jesus, but we are in the beginning of this tribulation, or as Jesus warned, the *beginning of sorrows* (Matthew 24:8). Living in the beginning of sorrows reveal that the troubles of the great tribulation has begun and will peak with the great tribulation unleashed by the Antichrist.

### Russia

Let's keep in mind that Russia is one of the global power players along with Great Britain, the United States, and Islam. Each of these players are working together with the Archangel Gog, the mastermind directing these empires to set the political, geographical, economic, and cultural environment to welcome the one called the Antichrist. See my current *Our Present Age* newsletter [Issue 4](#) and [Issue 3](#) for more information. Russia's recent movement in the Ukraine is significant, not in the way news commentators understand it, but in that according to Biblical understanding Ukraine needs to be made part of the Magog empire, which includes Russia and the Ukraine, in preparation for the great invasion of Israel after the Antichrist is in authority. President Putin, inspired by Gog, is also in motion to take back any land that once belonged to Russia, including Alaska. Will he succeed? Time will tell. Ukraine is definitely on the board.

Russia's invasion into the Ukraine gives the world a glimpse of the *terrible beast*, the *New World Order* spoken of by Daniel the prophet which when established will be crueler than this Russian bear. We've watched the news footage of missiles blowing up a civilian shopping center, a hospital, three schools, a tank crushing a civilian car with the driver still inside, the shooting of civilians trying to leave the war-torn Ukraine as well as taking civilians captive. This type of unbelievable cruelty is only a glimpse of what will take place when the *New World Order* is established, and the Antichrist is on the scene.

Perhaps even more significant is Russia's comment that the west's "attempt to have global dominance is coming to an end" is definitely in line with biblical prophecy. As outlined on *The Prophetic Timeline*, Russia's prophetic role is to help transition world power from the west and return it back to the middle east and Islam. Check out [The Prophetic Timeline here](#). To have the global environment in place and ready for the Antichrist requires that the United States is no longer the dominant world power. The target date is to have the political environment in place no later than 2030. As of today, that is only eight short years away. From now until 2030 a lot of changes are going to take place in the political and cultural landscape of America. America, along with Great Britain and Russia, will, little-by-little cozy up to Libya, Iran, Sudan, and Turkey in a more open and supportive relationship.

### UFO'S: A SIGN OF EARTH'S FINAL DAYS

UFO's are getting a lot of attention recently due to the government's acknowledgement of "unidentified aerial phenomena," better known as UFO's. The newsworthiness of UFO's as a reality will only increase as we move closer to 2030, the date the United Nations (UN) and World Economic Forum (WEF) has set for achieving their goals to have all things ready for the one we call the Antichrist. The UN and WEF does not use this name, but their movement toward world governance is setting in place the final pieces for the Antichrist to be given global authority.

UFO sightings began their massive increase around 1947/1948 when Israel regained her statehood. This is significant since the timeline in Revelation 12 reveals that the Devil and his angels would be thrown out of heaven and cast "into" the earth: not on the earth or in the air, but under the surface of the earth. They are here among us and angry, pouring out their wrath upon the earth because they know they have a very short time before they are thrown into the lake of fire for eternity (Revelation 12:9,12,17).

As the sightings continue to increase, expect more talk about aliens from other planets having great intellect and wisdom. Being fallen angels, their knowledge and wisdom would be much greater than ours, but they use this knowledge for their own evil purposes to come against God and His people.

Time is short. Now is not the time to be petty about those things belonging to this life. Now is the time to understand the times we're living in and to be about the Father's business of helping others to understand why the events that are happening in today's world are happening.

Hope is disappearing, but you have the true hope. Spread this hope to others.

### War On Truth

When the one called the Antichrist arrives, he will disregard and dismantle truth so that a lie becomes truth and the divide between dream and reality becomes non-existent (Daniel 8:12). His goal is to remove out of this world anything that relates to Christ, who is the truth (John 14:6). Christ does not just declare truth, he is the embodiment of truth. The Antichrist will strive to eliminate the origins of truth by destroying the followers of Christ and eventually turning his military on Christ—the truth itself. Since the 20<sup>th</sup> Century we have seen a great war on truth overcoming our educational system, our politics, and our culture. Three main forces in this war on truth includes humanism, relativism, and pragmatism.

*HUMANISM* began to wield its influence and overcome America's Christian culture with the publication of *The Humanist Manifesto I* in 1933. It gave to Americans a philosophical/religious framework from which to change the thoughts, morality, and theology of Americans away from Christian standards.

*RELATIVISM* also took hold with the rise of humanism to move people away from absolute truth to believing that "My truth is truth" and all beliefs and thoughts are equally valid. Such beliefs dismantles absolute truth which is found only with Jesus, who is truth.

*PRAGMATISM* also replaced truth with its philosophy that if it produces a desired result or is beneficial it is good. The focus is, does it work, not is it true, or is it right? Adam and Eve fell into pragmatism when they determined the fruit they were tempted with was "good" for food, "pleasant" to look at, and would "educate" them with knowledge and wisdom (Genesis 3:6); they concluded that something so good could not be so wrong. The problem was they looked at the benefits the world offered instead of holding firm to the simple truth of God: "But of the tree of the knowledge of good and evil, you shall not eat of it: for in the day that you eat thereof you shall surely die" (Genesis 2:17). Sure, there are earthly benefits to eating the fruits of the world, but to do so has eternal consequences. Consider. Do a deep dive study on Matthew

## 2442 Watch 03-29-2022

16:25. Add to this study, Matthew 6:19-24. While you're at it, you might as well look at Mark 4:19. Our great battle is between everything this world offers to us and living in obedience to God (1 John 2:15-17). Who/what captivates your mind and affections? (Colossians 3:2; Luke 10:27)

When truth is dismantled, God is removed, moral anarchy permeates all levels of culture, and spiritual anarchy, where Christians are no different from non-Christians, become the norm.

Without absolute truth reality cannot be defined and the lines between dream and reality are blurred and often removed. The only way to fight against the dismantling of truth is with the truth, is with Jesus. You and I are given the mandate to keep truth alive in our communities by being witnesses of the truth to our communities. We are given the mandate to "go into all the world," to go into the "highways and alleyways," to go to where the people are who don't know the truth and witness to the truth. Jesus really is the only one who can keep us living in reality during this time when truth is being cast to the ground and the boundaries between dream and reality, between right and wrong, are quickly disappearing.

### Year 2030

The United Nations, in partnership with the World Economic Forum, has set the goal to have the world totally transformed no later than 2030. If these goals are the last events necessary for the one called the Antichrist to appear (which I believe they are) that means from this point forward life is going to increasingly become more pressure filled, more violent, more confusing. Seeing what is happening in our day we are encouraged to "look up." Find our relief in knowing that Christ will soon be here. Hold on! It won't be long: "And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draws nears" (Luke 21:28).
