

UNDERSTANDING OUR PRESENT AGE

Toward 2030

ON MARCH 21, 2022, two years after the 2020 Pandemic started, President Biden articulated what is now, without question, a new world order reshaping our nations. He Said, “Now is a time when things are shifting. There’s going to be a new world order out there, and we’ve got to lead it. And we’ve got to unite the rest of the free world in doing it.”

Anyone who has read my books¹ know that I believe America, along with Great Britain , establishes the agenda and leads the world to put into place the infrastructure necessary for the one called the Antichrist to be given power. The fact that President Biden acknowledges the new world order, and that America needs to take the lead, reveals that the new world order is very much political reality and is being advanced by the nations.

The United Nations and Agenda 2030

The 2020 Pandemic gave the United Nation’s and its partner, the World Economic Forum, the opportunity to put into high gear the final events to establish the new world order through the United Nation’s Agenda 2030. Its goal is to finalize the transformation of national economies, culture, and the realignment of all nations under international governance. To get there, national economies must become cashless and contactless, the Judeo/Christian standards must be overturned, and national sovereignty must be replaced with submission to international governance. Though we have been moving in this direction for many decades, actually since the founding of America, the 2020 Pandemic not only brought to the world’s consciousness, but also accelerated the economic, political, and cultural infrastructures to make the 2030 goal achievable. The result has been economic breakdowns, cultural upheavals, and the cry for international governance. Until the 2030 goal is achieved, from this point forward, the economic, cultural, and political breakdowns will only increase until the new world order is in place and the world as we know it is completely transformed. The 2020 pandemic gave the opportunity to exasperate current issues to accelerate these goals. I would encourage you to read more about Agenda 2030 as well as the World Economic Forum. If what they have to say was a dream, it would be a nightmare. We live in dangerous times.

From a Biblical Perspective

The United Nation’s agenda fits perfectly with the Biblical timeline for the arrival of the one called the Antichrist. Keep in mind that the Bible tells us what will take place, and world events give the details of how they take place. According to the Bible, a world leader (the Antichrist) will arrive after certain empires have risen and fallen, the infrastructure for a cashless economy is

¹ *REVELATION and the Age of the Antichrist; ARE WE THERE YET: age of the Antichrist*

in place, and the world's culture has gotten much worse, reaching a depravity that the Apostle Paul calls "perilous" (2 Timothy 3:1).

It was Daniel the prophet who revealed the empires that would rise and fall. These empires were identified in Daniel 2 and 7 as Babylon, Mede/Persia, Grecian, Roman, Divided Roman, Great Britain, United States, Russia, Islam, and a final global empire. Eight of these empires have risen and fallen from their height of glory. The United States is in its final phase of crumbling in preparation for the new world order, and the final global empire is currently being put into place. In preparation for the new world order, the infrastructure for a global, cashless economy must be in place and the nations cultures must be in shambles. For more info, see my books, *Age of the Antichrist: ARE WE THERE YET?* and *REVELATION: Age of the Antichrist*.

The prophet Daniel revealed the nations that would rise up to lead us to the final global empire. It was Jesus who revealed, in Matthew 24, the cultural shifts and increase in natural disasters. In this chapter Jesus teaches that the thinking and beliefs will change from a Judeo/Christian perspective to a worldly perspective when he taught to guard ourselves against deception and teachers and philosophies and beliefs and practices contrary to God (Matthew 24:4-5, 11, 23-24).

Jesus also taught that...

- Wars and rumors of war will be everyday occurrences
- Racial and ethnic tensions and wars will only increase and intensify
- Disease will continue to be more frequent and more deadly
- Earthquakes will be more intense, more frequent, and more destructive
- People will turn violent against each other: family members, neighbors, co-workers, strangers
- Wickedness, immorality, violence, depravity will become the norm
- Persecution of those holding Judeo/Christian values and not in support of the new norms

The good news is that the gospel will be preached during these difficult times, even though it won't be received by the majority. From our present age forward, the darkness will increase and the light of the gospel and Christ will grow dimmer. In season or out of season we must be about the Father's business of declaring the need for repentance.

This will be the condition of the nations prior to the arrival of the Antichrist. Note that what Jesus taught will increase is contrary to the United Nation's Agenda 2030, which outlines the elimination of these issues that Jesus said would be more frequent and intense. Through their benevolent, worldly goals the United Nations will deceive many. The problem is the United Nation's goals goes against the revealed word of God. Therefore, Agenda 2030 will not achieve the elimination of poverty, disease, racism, etc.. The issues the world faces will only become more intense and more frequent until the cashless economy and the realignment of all nations under global governance is in place—and then all hell breaks loose.

All Hell Breaks Loose

Once the United Nations reaches its 2030 goals, which they are on track to accomplish, Judeo/Christian standards will have been overturned and chaos and violence and all types of

depravity will be the norm. It is in this environment that the one called the Antichrist will be given authority over the new world order. He will be seen as one who will fix the world's economies, and for three and a half years his policies will cause the nation's economies to prosper (Daniel 8:25). He will also bring peace to Israel and her neighbors (Daniel 9:27). In this way he will draw many well-meaning, but deceived, people to his side. Keep in mind that Adam and Eve were deceived by the benefits they perceived, and so will many of you be deceived when you see the prosperity and peace that is coming to Israel. Be on guard. Don't be deceived. Understand the prophetic times and hold tight. It was Jesus who taught there is no excuse for not knowing where we are on the prophetic timeline when he stated after teaching on the last days, "Behold, I have told you before" (Matthew 24:25) He even reprimanded those who could not discern the signs of the times for their generation: "O ye hypocrites, ye can discern the face of the sky; but can ye not discern the signs of the times?" (Matthew 16:3)

After the three and a half years of peace and prosperity, then all hell breaks loose. What is known as the great tribulation takes place. Anyone who does not submit to the Antichrist's cashless, Christless new world order are considered enemies. He makes war with the nations not in agreement with him and seeks to kill all of God's people. This is where Agenda 2030 is leading us. It is setting in place the final pieces necessary to give leadership to the Antichrist. Yes, I am convinced that when Agenda 2030 has achieved a cashless infrastructure, a cultural shift, and submission to global leadership, the Antichrist will then appear soon after and be given the leadership. Once he is in power it will only be a short seven years before Christ appears.

Let's Reflect

The world is no longer shifting toward a new world order, it has already shifted. We are now in a transition period of the "changing of the guard" which is to be completed no later than the year 2030.

Those at the forefront of this transition are the United Nation, the World Economic Forum, and various billionaires such as Bill Gates. They are setting the global agenda which the nations and corporate leaders have jumped on board with. These are the ones you should pay attention to when they are in the news. It is their voices that lets us know how close we are to welcoming the new world order. Essentially the entire world is working toward a great reset of national economies, their cultures, and national sovereignty to establish the new world order.

From a Biblical perspective this movement toward a new world order no later than 2030 parallels perfectly the timeline set for the one called the Antichrist to appear. In fact, when Agenda 2030 is achieved, a cashless infrastructure for buying and selling will be firmly in place to replace our current cash-based economies. Also, the cultural shift from a Judeo/Christian value system will have been complete and those with a strong Judeo/Christian mindset will be seen as hindrances to and enemies of the new world order. The third main shift is our shift from national dependence to global governance. These are the final events necessary for the Antichrist to be given authority over this new ordering of the nations. Once in place, the Antichrist will arrive soon after. Considering how quickly Agenda 2030 is advancing, the Antichrist could be on the scene as early as, if not before, 2030, less than eight short years away. Let that sink in. In less than eight years the Antichrist could be in power.

The Days Ahead

As we move closer to 2030, things are going to increasingly get tougher, much tougher than anything we've seen before. What makes what's happening today different is that we are now at the end of our present age. We are now sitting in place the infrastructure necessary for the Antichrist to take the reins. We now have a target date 2030, when everything is to be ready.

To make this happen there needs to be economic, cultural, and political unrest and chaos to manipulate the populations and their leaders to cry out for someone, anyone, to bring stability to the nations. The chaos was ramped up and exasperated with the 2020 Pandemic. 2020 began the decade the United Nations encouraged their member nations to accelerate their implementation of Agenda 2030 initiatives so that the 2030 goal will be met. Our own governments Build Back Better Act, passed by the House on November 19, 2021, is a scaled down version of Agenda 2030. Since 2020, the world's crises has not slowed down and will continue to accelerate to reach the 2030 deadline. Though on the surface things will occasionally appear to slow down to appease the populations, but under the surface the United Nations and World Economic Forum and their corporate and governmental leaders will continue to press forward.

What this means is that the nation's economies, cultures, and governments will continue their downward spiral. I expect to see the increase in unemployment, small businesses going out of business, a massive spike in crime and thefts, social chaos, and eventually hyperinflation. The increase in these will impact each of our lives. Money will continue to be worth less and costs will continue to increase. Food will be in short supply or not available. I would encourage you to ask yourself what you can do now to prepare for necessities when they are not easy to obtain. It's important to understand that between now and 2030 even the most prepared will eventually be concerned as their ability to purchase needed supplies will become much tougher.

So, What Do You Do?

So, what do you do when you go to the cupboard and the food is gone and shelves at the grocery are bare? This is when you need to find your reserve of peace and hope outside of the kitchen cabinets and grocery stores. You need to find your hope in the God who created you and revealed Himself through His only begotten son, Jesus. I encourage you to place your faith in the inheritance He's promised to you. An inheritance of eternal life not found on the earth. Trust Jesus and what he taught. Keep your minds and hope focused on God's kingdom and don't become like those willing to do anything, legal or otherwise, to maintain their earthly life. I leave you with these words of Jesus from Matthew 6:25-34. Hold firm to his words and don't let go. No matter how tough things might be, don't let go. God is with you.

“Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment? Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feeds them. Are ye not much better than they? Which of you by taking thought can add one cubit unto his stature? And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil

not, neither do they spin: And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these. Wherefore, if God so clothe the grass of the field, which today is, and tomorrow is cast into the oven, shall he not much more clothe you, O ye of little faith? Therefore take no thought, saying, "What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed?" (For after all these things do the Gentiles seek:) for your heavenly Father knows that ye have need of all these things. But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. Take therefore no thought for tomorrow: for tomorrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof."
