IN THIS ISSUE of **2442WATCH** I look at events that are setting in place the final infrastructure necessary for the world leader we call the Antichrist to appear on the world scene, to govern over the new world order and the realignment of all nations under ten global regions. Without a Biblical understanding of current events, we will be like the proverbial boiling frog who adapts to its surroundings unaware it is being boiled alive; or as Jesus warned, we will be deceived and follow the Antichrist's path while claiming to be Christian.

WE ARE CALLED TO BE WATCHERS

Jesus spoke of this unawareness when teaching about the final last day events in Matthew 24. He taught that the final days would be like the days of Noah, prior to the flood:

"But as the days of Noah were, so shall also the coming of the Son of man be. For as in the days that were before the...([Read More...](#))"

REVELATION 13 AND THE GLOBAL CASHLESS ECONOMY

Revelation 13:16-17 reveals a chilling prophecy: when the Antichrist ascends to power, he will mandate a global cashless economic system. Anyone who does not comply will be put to death. This system will become the sole means of conducting any economic transaction.

Whether you're rich or poor, without this system, you will be unable to...([Read More...](#))

REVELATION 13 AND ARTIFICIAL INTELLIGENCE (AI)

As much as the so-called benefits of AI are being highlighted, it is all a cunning deception to lure us into focusing solely on what's in it for us, blinding us to AI's end goal. Just as Adam and Eve were deceived into releasing sin into the world by focusing on the positive aspects of the forbidden fruit—good for food, pleasant to the eyes, and promising great...([Read More...](#))

REALIGNMENT OF NATIONS AND THE WORLD EMPIRE

The world government we hear so much about is in fulfillment of Daniel 2:33, 41-43, which is earth's final empire, depicted as ten toes. These

ten toes signify a world empire where all nations are realigned under ten regions. This has been the purpose of the rise and fall of nations: to establish the infrastructure necessary for this realignment to take place. That it is in place in the...[\(Read More...\)](#)

THE DEVIL IS IN THE DETAILS, LURKING IN THE SHADOWS OF AGENDA 2030

The Bible warns that lurking in the shadows behind flesh and blood people is the Devil and his legions known as the principalities, powers, the rulers of the darkness of this world, influencing people to move the world in specific directions according to the agenda and will of the prince and god of this world, who we know as the Devil...[\(Read More...\)](#)

PRESIDENT TRUMP: THE CLOSEST PERSON TO BEING THE ANTICHRIST

President Elect Donald Trump is the person closest to being the Antichrist than any other person throughout history. I know this statement will not fair well with many who look at Trump as sent by God, and I cannot disagree with them; but for what purpose has he been sent? To revive America and her Christian principles or to further establish the path for the final global leader we call...[\(Read More...\)](#)

ECHOES OF DIVINE JUDGMENT: WAR, FAMINE, DISEASE FROM THE OLD TESTAMENT TO THE 21ST CENTURY

Throughout the Old Testament, war, famine, and disease are depicted as instruments of God's judgment on nations due to their sin. [1] Ezekiel 6:11-12 illustrates this when God, through the prophet Ezekiel, warns the Israelites of impending judgment because of their idolatry and disobedience: *"Thus says the Lord God: Clap your hands and stamp your feet and say..."*[\(Read More...\)](#)

BRACE YOURSELF, WE AIN'T SEEN NOTHING YET

Jesus warned of the "beginning of sorrows," characterized by increasing occurrences of war, famine, disease, and earthquakes (Matthew 24:7-8). These "beginning" of sorrows events will escalate into what Jesus called the "great tribulation," unparalleled since the world's creation (Matthew 24:21). Jesus indicated that the great tribulation would occur when the Antichrist is in...[\(Read More...\)](#)

REVELATION 13 AND WHERE ARTIFICIAL INTELLIGENCE IS TAKING US

In our present age, the rapid advancement of artificial intelligence (AI) has sparked much discussion about its potential and implications. When we look at the book of Revelation, chapter 13, we are given insight to where AI is taking us and why, revealing the goal of AI is more than just the creation of a sophisticated, robotic machine. It is to...[\(Read More...\)](#)

A DREAM AND A VISION

It was April 7, 1980. I had a dream. In this dream, I saw thousands of what looked like planes darkening the afternoon sky. Flowing through my mind were the words that America was at war. I didn't know at the time whether these "planes" were American or enemy aircraft. What I did know was that America was at war, a war that my eyes would witness...[\(Read More...\)](#)

NO MAN KNOWS THE DAY OR HOUR; BUT WE CAN KNOW...

WHEN THERE IS ONLY 70 YEARS LEFT: Consider that the generation of people is seventy years (Psalm 90:10). Jesus explained that the events of the last days, as taught in Matthew 24:3-21, would all converge within a final generation of seventy years. He taught that we would be able to watch these events develop and grow more frequent and intense, referring...[\(Read More...\)](#)

WHY THE YEAR 2030 IS PROPHETICALLY SIGNIFICANT

My focus on the year 2030 as the time for the Antichrist to assume authority began to take shape in 2005 when I started to understand the prophetic timeline as recorded in the books of Daniel, Matthew 24, and Revelation. Through the prophetic timeline, I realized that the end of the great tribulation and the return of Jesus could be around 2037. This would mean the Antichrist would have risen to authority seven years prior to Jesus' return, pinpointing the date of his emergence to 2030...([Read More...](#))

UNDERSTANDING UFO'S FROM A BIBLICAL PERSPECTIVE

UFO sightings have surged in recent years, prompting many to question what the Bible says about this phenomenon. Instead of focusing on the frequently cited Ezekiel passage—where wheels are described as being within wheels—let's shift our attention from Old Testament UFO interpretations to a more current understanding...([Read More...](#))

PSALM 83, ISRAEL'S FINAL WAR, IS CURRENTLY IN THE MAKING

The Hamas terrorist attack on Israel on October 7, 2023, has been described as the deadliest and cruelest assault since the Holocaust. This tragic event marks the fifth major conflict in the Gaza-Israel conflict since 2008 [1] and the most significant military engagement in the region since the Yom Kippur War in 1973. Some believe this could be the conflict leading Israel to its final battle as depicted in Psalm 83, Ezekiel 38, and Revelation 16. The modern roots of the...([Read More...](#))

BUT A MAN

I am but a man, frail,
striving on my way
Finding strength and peace,
in what the Scriptures say
From my inner storehouse,
I bring insights old and new
Enlightened by the Spirit,
His truth is ever true.

is published and written by Steve Magill, unless otherwise noted. Its purpose is to have a place to park various thoughts concerning last day events affecting our present age. Its publishing frequency will be whenever I have a couple of pages of thoughts to share. Will that be tomorrow? Next week? Next year? It will be some time, just don't know when. The good news is this one is hot off the virtual press.
