

THE ANTICHRIST COMETH: 2030?

THE BIBLE TEACHES THAT A world leader, who is also called the Antichrist, will be given global leadership after all nations are realigned under ten global regions. We know we are close to his arrival because this realignment has already been established by the United Nations in their "The Millennium Development Goals Report 2009." On page 55 they have a chart showing all nations divided into ten regions.

Currently world leaders are moving toward world governance by embracing the United Nations Agenda 2030 and the World Economic Forum's agenda. America's proposed Green New Deal, which most likely will go into effect after the inauguration, is essentially these global agendas repackaged. There is no doubt that Presidential candidate Joe Biden is in full support since he built his campaign on the slogan, "Build Back Better." This slogan was originally created by the founder and chairman of the World Economic Forum and is used by world leaders in support of the World Economic Forum's agenda to transform the world, including moving us to global governance and a global economy.

As outlined in Agenda 2030, the goal is to have these Agenda's fully established by 2030. That means the transformation of every aspect of our world has been and is currently taking place. Thanks to COVID-19, transformation has picked up speed.

Whether one believes in Bible prophecy or not, it's easy to see that the world is moving quickly toward this global realignment, which is also known as the New World Order and global government. The Bible merely records what the world stage will be like during earth's final seven years when the Antichrist is given leadership.

CASHLESS AND THE MARK

Two other main events that must have their infrastructure in place for the one called the Antichrist to appear is the global, cashless economy and some kind of global, economic mark as the only way to buy or sell anything. The discussion concerning the COVID vaccine includes the ability to track those who have it and those who don't. The have nots will not be able to conduct business, work, go to the grocery, doctors, etc.. Eventually this system will develop so that those without it will face losing everything, prison, and even death.

Thirty years ago, when I spoke of these prophetic events, I was told I was promoting conspiracy theories. Today, they are called reality. Whether one believes in Bible prophecy or not, it's easy to see the world moving quickly toward establishing global governance, a global cashless economy, and a global mark as the only way to buy or sell.

2030 + 7 = 2037

Now consider this. The goal of the United Nation's Agenda 2030 is to have the world transformed by the year 2030. When these goals are achieved, the events necessary for the Antichrist to be given

power will be in place. The Bible tells us, after everything is in place, the Antichrist will be given leadership over it all. The Bible records his leadership will last seven years. Assuming the United Nations reaches its goals, when seven years is added to 2030 brings us to 2037. This makes it more than possible that Christ will return in 2037, after the Antichrist's seven-year rule.

CHRISTIANS AWAKE

I don't know any believer who doesn't acknowledge that we are in the last days, and most now believe we are in the last of the last days. If we acknowledge that we are in the last days, we must also acknowledge that the majority claiming the name of Christ are not Christian. That's because Scripture informs us that a great falling away will take place during this time. Take a look at these Scriptures: 2 Thessalonians 2:3; 2 Timothy 3:5; Revelation 2&3; Matthew 25:1-13; Matthew 25:14-30. A deceived Christian is one who has an image of being a Christian but does not have the Holy Spirit alive within them to be Christian. The urgent cry to those claiming the name of Christ today is to WAKE UP! You are in great danger, right now, of not being Christian at all. You are like those without Christ, currently on the road to hell.

DECEPTION

Deception is often linked to not reading and understanding the Bible. Though deception can come through lack of Bible reading, it goes much deeper. You can read the Bible, study the Bible, and even memorize large passages, but if the Holy Spirit is not alive within you all your reading and study can be perverted so that beliefs such as abortion, ordaining gays as church leaders, living together without marriage, smoking marijuana, and such like are justified as being Biblical. Going through the motions of being a Christian (Bible reading, praying, going to church, good works, etc.) without the Holy Spirit makes you not a Christian (Romans 8:9).

Another, even more dangerous deception, is found in Revelation 18:23. Note that "All nations," including the majority claiming to be Christian, are deceived by the merchants (corporations, bankers, money men, etc.) because of their sorceries. I bet you never linked everyday corporate leaders, billionaires, and millionaires to sorceries? Here's why...

In the Greek the word for sorceries is "pharmakeia." This is the same word from which we get the English "pharmacy." It refers to the use, distribution, and poisoning by drugs. Linking sorceries with merchants shows that in the last days the money men will make big money from medicines (drugs) and will promote their so-called benefits in such strong ways that you feel it is an absolute must that you have the latest medicine or vaccine for what troubles you. Today we have pills and injections for almost anything concerning a person's mental, emotional, and physical well-being.

In our current COVID-19 pandemic, with its focus on the vaccine, we see how it plays out as a global deception. In the name of stopping the pandemic, the world is being moved to transform the global economy to a cashless system; to have us tracked in order to travel, buy, and sell; and to put all nations under global governance to end the pandemic. Each of these can be accomplished with a vaccine that is being promoted as being the best thing for our health, wealth, and happiness, like with Eve and the serpent. The founder and chairman of the World Economic Forum is clear on this point in his book, "COVID-19: THE GREAT RESET." He makes the case that COVID-19 is not seen so much as a crisis as it is an opportunity to accelerate the New World Order, or as I see it, to lay the

final pieces necessary for the Antichrist to be handed world leadership. Since world leaders also do not see COVID as a major crisis, but as an opportunity to accelerate transformation, that is deception. The vaccine is promoted to achieve ulterior goals, not necessarily because the virus demands it.

FINAL THOUGHTS

No matter whether you believe the events are the fulfillment of prophecy or not, they are taking place. The Bible prophesied these events over 2500 years ago. As they entered more into the mainstream, they were then negated by many as conspiracy theories. Today, they are seen as reality and are making many uncomfortable...and they should be. It appears America and the world will enter the pains of accelerated transformation beginning in 2021. If you thought 2020 was difficult, hold on tight, because from 2021 forward things are going to get a lot tougher. I encourage you to search out info about the United Nations Agenda 2030 and World Economic Forum agendas, since these are going to affect everything you've known as freedom and how you live everyday life.

As much as our human nature wants to do something to stop the United Nations and World Economic Forum from achieving their goals, nothing we can do can stop the path the world is headed. It is the Devil/Lucifer who sets the agenda for the world and moves it toward his ultimate goal of world governance through the Antichrist. It's true that God owns the earth, but He has given authority over the earth to the Devil as the "god of this world" (2 Corinthians 4:4; John 12:31; Ephesians 2:2). Prophecy is God's way of informing us where the Devil is taking the world, how it is getting there, and what our response is to be as we watch the events unfold.

Through the prophetic timeline outlined in Scripture we can know how close we are to the arrival of the Antichrist and the return of Christ. We are almost there. Until Christ returns, find your hope in the new world he is currently preparing for you: An eternal world that will not be filled with all the injustices, corruptions, and sorrows that earmark our current, Devil controlled world. (John 14:3; revelation 21;1-8)

In the meantime, our response is to let those who will hear know why the events that are happening are happening. Daniel 11:33 refers to the time when the one called the Antichrist is in power. During this time Daniel writes that "they that understand among the people shall instruct many." After the Apostle John received the Revelation and understood it, he was told to tell everyone about what he saw (Revelation 10:10-11). Our response is also to help others understand why things are happening as they are and to help them understand the eternal blessed hope we have through Jesus.
