

## BOOK: ARE WE THERE YET?

**ARE WE THERE YET?** Outlines The Prophetic Timeline from the early 600's BC to the rise of the Antichrist, the return of Christ, and the establishment of God's eternal kingdom.

ARE WE THERE YET is a brief commentary on the timelines revealed in the books of Daniel, Matthew 24, and Revelation that doesn't need you or me to reorganize or rearrange them into an order we think they should go. All prophetic events are dated either by their historical setting or the personalities involved to give us the ordering of events as God intended.

## BOOK: COMING SOON

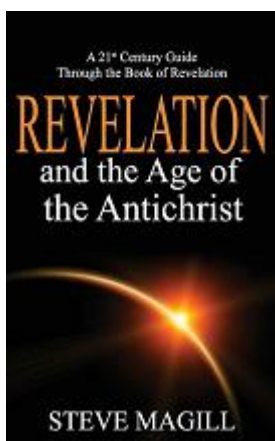

**UNDERSTANDING THE LAST DAYS** does not have to be complicated. Jesus made this clear when in Matthew 24 He outlined the events and ordering of last day events in only 28 verses. When we look at last day events from these verses alone, we have our road map for understanding where we are on the prophetic timeline and how close we are to the appearing of the Antichrist, the return of Christ as King, and the rapture. After teaching on the last days, Jesus then completes Matthew 24 and continues through Matthew 25 with encouragements to be on the lookout for the King who is coming soon. *COMING SOON* follows Jesus' outline to present a brief, concise timeline and ordering of last day events.
